Fey Ancestry. Advantage on saving throws against being charmed, and magic can't put you to sleep.

ATTACKS & SPELLCASTING

Darkvision. You can see in dim light within 60 feet of you as if it were bright light, and in darkness as if it were dim light.

Divine Sense (Action—3/Long Rest). You can open your awareness to detect presence of strong evil. Until the end of your next turn, you know the location of any celestial, fiend, or undead within 60 feet of you that is not behind total cover. You know the type of any being whose presence you sense, but not its identity. Within the same radius, you also detect the presence of any place or object that has been consecrated or desecrated.

Lay on Hands (Action—35/Long Rest). You can touch a creature and draw power from the pool to restore a number of hp to that creature, up to the maximum amount remaining in your pool. You can expend 5 hp from your pool of healing to cure the target of one disease or neutralize one poison affecting it. This feature has no effect on undead and constructs.

Fighting Style.

Dueling. When you are wielding a melee weapon in one hand and no other weapons, you gain a +2 bonus to damage rolls with that weapon.

Divine Smite. When you hit a creature with a melee weapon attack, you can expend one spell slot to deal radiant damage to the target, in addition to the weapon's damage. The extra damage is 2d8 for a 1st-level spell slot, plus 1d8 for each spell level higher than 1st, to a maximum of 6d8. The damage increases by 1d8 if the target is an undead or a fiend.

Divine Health. The divine magic flowing through you makes you immune to disease.

Extra Attack. You can attack twice, instead of once, whenever you take the Attack action on your turn.

Aura of Protection. Whenever you or a friendly creature within 10 feet of you must make a saving throw, the creature gains a +2 bonus to the saving throw. You must be conscious to grant this bonus.

Sacred Weapon (Action—Channel Divinity). For 1 minute, you add +2 to attack rolls made with that weapon. The weapon also emits bright light in a 20-foot radius and dim light 20 feet beyond that. If the weapon is not already magical, it becomes magical for the duration. You can end this effect on your turn as part of any other action. If you are no longer holding or carrying this weapon, or if you fall unconscious, this effect ends.

Turn the Unholy (Action—Channel Divinity). Each fiend or undead that can see or hear you within 30 feet of you must make a Wisdom saving throw. If the creature fails its saving throw, it is turned for 1 minute or until it takes damage. A turned creature must spend its turns trying to move as far away from you as it can, and it can't willingly move to a space within 30 feet of you. It also can't take reactions. For its action, it can use only the Dash action or try to escape from an effect that prevents it from moving. If there's nowhere to move, the creature can use the Dodge action.

Aura of Devotion. You and friendly creatures within 10 feet of you can't be charmed while you are conscious.

NAME

SYMBOL

Nothing can shake my optimistic attitude.
I am tolerant (or intolerant) of other faiths and
respect (or condemn) the worship of other gods.

PERSONALITY TRAITS

Charity. I always try to help those in need, no matter
what the personal cost. (Good)

IDEAL

Everything I do is for the common people.

BOND

I put too much trust in those who wield power
within my temple's hierarchy.

FLAW

As an acolyte, you command the respect of those who share your
faith, and you can perform the religious ceremonies of your deity.
You and your adventuring companions can expect to receive free
healing and care at a temple, shrine, or other established presence
of your faith, though you must provide any material components
needed for spells. Those who share your religion will support you
(but only you) at a modest lifestyle. You might also have ties to a
specific temple dedicated to your chosen deity or pantheon, and
you have a residence there. This could be the temple where you
used to serve, if you remain on good terms with it, or a temple
where you have found a new home. While near your temple, you
can call upon the priests for assistance, provided the assistance you
ask for is not hazardous and you remain in good standing with your
temple.

Fire Bolt

Evocation Cantrip

CASTING TIME	1 action
RANGE	120 feet
DURATION	Instantaneous
COMPONENTS	V, S

You hurl a mote of fire at a creature or object within range. Make a ranged spell attack against the target. On a hit, the target takes 1d10 fire damage. A flammable object hit by this spell ignites if it isn't being worn or carried.

This spell's damage increases by 1d10 when you reach 5th level (2d10), 11th level (3d10), and 17th level (4d10).

Cure Wounds

1st-level evocation

CASTING TIME	1 action
RANGE	Touch
DURATION	Instantaneous
COMPONENTS	V, S

A creature you touch regains a number of hit points equal to 1d8 + your spellcasting ability modifier. This spell has no effect on undead or constructs.

At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the healing increases by 1d8 for each slot level above 1st.

Protection from Evil and Good

1st-level abjuration

CASTING TIME	1 action
RANGE	Touch
DURATION	Concentration, up to 10 minutes
COMPONENTS	V, S, M (holy water or powdered silver and iron, which the spell consumes)

Until the spell ends, one willing creature you touch is protected against certain types of creatures: aberrations, celestials, elementals, fey, fiends, and undead. The protection grants several benefits. Creatures of those types have disadvantage on attack rolls against the target. The target also can't be charmed, frightened, or possessed by them. If the target is already charmed, frightened, or possessed by such a creature, the target has advantage on any new saving throw against the relevant effect.

Oath Spells (Paladin)

Player's Handbook

Sanctuary

1st-level abjuration

CASTING TIME	1 bonus action
RANGE	30 feet
DURATION	1 minute
COMPONENTS	V, S, M (a small silver mirror)

You ward a creature within range against attack. Until the spell ends, any creature who targets the warded creature with an attack or a harmful spell must first make a Wisdom saving throw. On a failed save, the creature must choose a new target or lose the attack or spell. This spell doesn't protect the warded creature from area effects, such as the explosion of a fireball. If the warded creature makes an attack, casts a spell that affects an enemy, or deals damage to another creature, this spell ends.

Oath Spells (Paladin)

Player's Handbook

Searing Smite

1st-level evocation

CASTING TIME	1 bonus action
RANGE	Self
DURATION	Concentration, up to 1 minute
COMPONENTS	V

The next time you hit a creature with a melee weapon attack during the spell's duration, your weapon flares with white-hot intensity, and the attack deals an extra 1d6 fire damage to the target and causes the target to ignite in flames. At the start of each of its turns until the spell ends, the target must make a Constitution saving throw. On a failed save, it takes 1d6 fire damage. On a successful save, the spells ends. If the target or a creature within 5 feet of it uses an action to put out the flames, or if some other effect douses the flames (such as the target being submerged in water), the spell ends.

At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the initial extra damage dealt by the attack increases by 1d6 for each slot level above 1st.

Your spell bolsters your allies with toughness and resolve. Choose up to three creatures within range. Each target's hit point maximum and current hit points increase by 5 for the duration.

Player's Handbook

Find Steed

2nd-level conjuration

CASTING TIME	10 minutes
RANGE	30 feet
DURATION	Instantaneous
COMPONENTS	V, S

You summon a spirit that assumes the form of an unusually intelligent, strong, and loyal steed, creating a long-lasting bond with it. Appearing in an unoccupied space within range, the steed takes on a form that you choose, such as a warhorse, a pony, a camel, an elk, or a mastiff. (Your DM might allow other animals to be summoned as steeds.) The steed has the statistics of the chosen form, though it is a celestial, fey, or fiend (your choice) instead of its normal type. Additionally, if your steed has an Intelligence of 5 or less, its Intelligence becomes 6, and it gains the ability to understand one language of your choice that you speak.

Your steed serves you as a mount, both in combat and out, and you have an instinctive bond with it that allows you to fight as a seamless unit. While mounted on your steed, you can make any spell you cast that targets only you also target your steed.

When the steed drops to 0 hit points, it disappears, leaving behind no physical form. You can also dismiss your steed at any time as an action, causing it to disappear. In either case, casting this spell again summons the same steed, restored to its hit point maximum.

While your steed is within 1 mile of you, you can communicate with each other telepathically.

You can't have more than one steed bonded by this spell at a time. As an action, you can release the steed from its bond at any time, causing it to disappear.

Prepared (Paladin)

Player's Handbook

Lesser Restoration

2nd-level abjuration

CASTING TIME	1 action
RANGE	Touch
DURATION	Instantaneous
COMPONENTS	V, S

You touch a creature and can end either one disease or one condition afflicting it. The condition can be blinded, deafened, paralyzed, or poisoned.

Oath Spells (Paladin)

Player's Handbook

Zone of Truth

2nd-level enchantment

CASTING TIME	1 action
RANGE	60 feet
DURATION	10 minutes
COMPONENTS	V, S

You create a magical zone that guards against deception in a 15-foot-radius sphere centered on a point of your choice within range. Until the spell ends, a creature that enters the spell's area for the first time on a turn or starts its turn there must make a Charisma saving throw. On a failed save, a creature can't speak a deliberate lie while in the radius. You know whether each creature succeeds or fails on its saving throw.

An affected creature is aware of the spell and can thus avoid answering questions to which it would normally respond with a lie. Such creatures can be evasive in its answers as long as it remains within the boundaries of the truth.

A backpack is a leather pack carried on the back, typically with straps to secure it. A backpack can hold 1 cubic foot/30 pounds of gear.

You can also strap items, such as a bedroll or a coil of rope, to the outside of a backpack.

This tin box contains a cup and simple cutlery. The box clamps together, and one side can be used as a cooking pan and the other as a plate or shallow bowl.

This small container holds flint, fire steel, and tinder (usually dry cloth soaked in light oil) used to kindle a fire. Using it to light a torch—or anything else with abundant, exposed fuel—takes an action. Lighting any other fire takes 1 minute.

A torch burns for 1 hour, providing bright light in a 20-foot radius and dim light for an additional 20 feet. If you make a melee attack with a burning torch and hit, it deals 1 fire damage.

Rations consist of dry foods suitable for extended travel, including jerky, dried fruit, hardtack, and nuts.

Rope, whether made of hemp or silk, has 2 hit points and can be burst with a DC 17 Strength check.

A holy symbol is a representation of a god or pantheon. It might be an amulet depicting a symbol representing a deity, the same symbol carefully engraved or inlaid as an emblem on a shield, or a tiny box holding a fragment of a sacred relic. Appendix PH-B "Fantasy-Historical Pantheons" lists the symbols commonly associated with many gods in the multiverse. A cleric or paladin can use a holy symbol as a spellcasting focus. To use the symbol in this way, the caster must hold it in hand, wear it visibly, or bear it on a shield.

Arrows are used with a bow to make a ranged attack.

A shield is made from wood or metal and is carried in one hand. Wielding a shield increases your Armor Class by 2. You can benefit from only one shield at a time.

You have a +1 bonus to attack and damage rolls made with this magic weapon.

Perhaps the most common tools used by adventurers, thieves' tools are designed for picking locks and foiling traps. Proficiency with the tools also grants you a general knowledge of traps and locks.

Components. Thieves' tools include a small file, a set of lock picks, a small mirror mounted on a metal handle, a set of narrow-bladed scissors, and a pair of pliers.

History. Your knowledge of traps grants you insight when answering questions about locations that are renowned for their traps.

Investigation and Perception. You gain additional insight when looking for traps, because you have learned a variety of common signs that betray their presence.

Set a Trap. Just as you can disable traps, you can also set them. As part of a short rest, you can create a trap using items you have on hand. The total of your check becomes the DC for someone else's attempt to discover or disable the trap. The trap deals damage appropriate to the materials used in crafting it (such as poison or a weapon) or damage equal to half the total of your check, whichever the DM deems appropriate.

This kit is a leather pouch containing bandages, salves, and splints. The kit has ten uses. As an action, you can expend one use of the kit to stabilize a creature that has 0 hit points, without needing to make a Wisdom (Medicine) check.

You have a +1 bonus to attack and damage rolls made with this magic weapon.

Plate consists of shaped, interlocking metal plates to cover the entire body. A suit of plate includes gauntlets, heavy leather boots, a visored helmet, and thick layers of padding underneath the armor. Buckles and straps distribute the weight over the body.

You regain 4d4 + 4 hit points when you drink this potion. Whatever its potency, the potion's red liquid glimmers when agitated.

You regain 2d4 + 2 hit points when you drink this potion. Whatever its potency, the potion's red liquid glimmers when agitated.

You gain a +1 bonus to attack and damage rolls made with this magic weapon.

When you hit a giant with it, the giant takes an extra 2d6 damage of the weapon's type and must succeed on a DC 15 Strength saving throw or fall prone. For the purpose of this weapon, "giant" refers to any creature with the giant type, including ettins and trolls.
